

From my Heart to Yours

July to August, 2019

God sets the lonely in families 68:6

Joy and Peace be with you all!!!

I trust that all is well with you. I Praise Him and Thank Him for all He has done. We were in our first quarter lesson and now we are in the 2nd Quarter of our lesson. Unit 11 is about MY WONDERFUL FAMILY and it is a very exciting lesson that the children will identify with. It talks about the basic needs of the family, the importance of food, water, clothing, and a home. We eat, go, grow, and glow to be strong and healthy. Thank God for giving us food, water, clothes and a home for the family. We are so delighted that they are learning and developing. It is great to hear from the parents that they are Happy and Thankful for their learning changes and development. To God be the Glory!!!

Creation Program July 21, 2019

The parents were proud to see their children's first recital show. They sang and danced and said their memory verses and poems. What matters most is the children know that God our Father. He is the master planner of His creation through the Bible teachings. It is amazing to see how the children react and how happy they are that God made the night and day, and the purpose of why God made the night, just to rest and sleep. Now they are not afraid of the darkness because they understand what they discovered in the bible.

AUGUST 21, 2019 Language Week or LINGGO NG WIKA

Parents were involved in our LINGGO NG WIKA; the theme was unity in the Phillipino family.

They made the booths or kubol with materials from coconut, banana tree, and Narra tree.

Each family participated in this challenge through their creativity. It was nice to see their creativity and how beautiful each booth was and each booth had food or miryenda. What a wonderful day and meaningful experience for us.

Every Friday we have parenting education on how to meet the childrens' needs and we have the opportunity to share the gospel.

ELEMENTARY Meeting Fellowship meets once a month and the Mothers are school supplies sponsors.

Amazing!! The mothers have a good response to our meetings every month. I had an opportunity to share what the child's needs are, so they had a good talk and conversation in the family. They are consistently attending and we keep praying for the mothers in the elementary meeting fellowship.

CHILDREN MINISTRY meets once a month.

The children are hungry to know God and they are consistent and continue to remind me to keep on knowing God.

YOUTH MINISTRY meets every Saturday; they are our next generation.

Youth leaders from our church help to reach out to the youth in our community.
