

Josie's News Update

(March-April 2017)

Blessings to you all!!!

Trust that all is well with you!

At our Moving - Up Celebration (March 22, 2017) we had a wonderful time with the children and their parents. It was a great joy to see them to perform well at their graduation: they spoke well in pledges, memory verse and poem and also they danced gracefully. We are so proud and overwhelmed that they their self-esteem has grown and how they learned well. They are ready to face the next chapter of their life especially the "Kindergarteners" who will become Grade 1 this June.

We know that they had a great experiences and happiness that will always be in their hearts. No matter what are the hindrances that they will face in the future, they know that Father God is always beside them.

April Activities:

Bible Vacation School

Every Saturday we had a bible study to reach the children in our community ages 3-8 years old. We prepared some games and they had a great time with us, and also we had a bible stories to know more about God and sharing the love of God to the people around us.
