

From my heart to yours.

October to November, 2019

**Peace and Joy to Everyone!!!**

I just wanted to let you know that Bright Morningstar Child Development Center is now in its 14<sup>th</sup> year of God's faithfulness and His Goodness in this ministry. Of course, you are all behind this amazing work of God and His ways. All Glory is to HIM alone. I would like to say THANK YOU for your wonderful partnership with us, and for all you've done.

In December we are starting the 3<sup>rd</sup> Quarter of our Assessment. We are so delighted to see the development and learning of our pupils; socially, physically, emotionally, and especially in the development of their spiritual life. Our pupils have a good relationship with God and they know God as their Savior, Friend, Healer and what a Generous God He is. Our lesson in this 3<sup>rd</sup> quarter is about 'community' and the communities will know that Jesus is Lord. Ezekiel 36:23

Our four Kinder pupils will be ready to graduate to Grade 1 next year. They know how to write their names, count from 1 to 100 and they read family words, and that helps to build their confidence. Our Nursery pupils know how to count from 1 to 30 and they know how to read their ABCs and echo sounds. Most of them can write their names.

The good thing is, they really love to listen to bible stories, so that is how they grew their relationship to Jesus.

**Parenting Education** meets once a month. The parents have had a good response to our teachings and we see changes in them, but I feel most of them are tired in their jobs. They have a problem with anger when they share their hearts and some of the mothers have been open to sharing their struggles. When I was praying, the Lord spoke to me to share stillness or quiet time with them, so that they may experience God's presence. On November 30th, we invited them to a retreat and seminar. Please include us in your prayers, that the Lord will minister to them and they will experience rest in their soul and understand that the meaning of rest and peace is strength from the Lord.

**ELEMENTARY CHILDREN MINISTRY** meets once a month. The children attend consistently and are hungry to know God. They are neglected by their parents, live in an unhealthy environment, and are from dysfunctional families.

The parents of the elementary children have had a good response and we meet with them once a month. They accepted Jesus as their Lord and Savior and we follow with them and to disciple them. Many have also joined our retreat seminar.
