

## **From my Hearts to yours**

October-November-December, 2017

Peace, joy, love to you all!!!

I just wanted to let you know that we are in the 3<sup>rd</sup> Quarter of our lesson and assessment of each child. Our lessons and communities know that Jesus is Lord; the Lord indeed gives great things to the hearts of our pupils and to their parents. Truly without God, we can do nothing. Our pupils in Kinder know how to read and write; our Nursery pupils know their ABCs, echoes, sounds, know how to count from 1 to 20, and they especially know God, our Father, as Savior.

We had a United Nation's Day in October and 28 kids had a wonderful learning experience that exposed them to seeing different cultures - like color, language, foods to eat, dances and song. Our pupils showed the talent that the Lord has given them by telling stories, dancing, and singing. We also had a parade in our community; what a great joy it was to see

everyone having a wonderful time and it was a great experience.

We had a convocation on November 4<sup>th</sup>, that gave awards to pupils who had a complete attendance, awards for best in English, math and science. We are proud of their learning and development, and especially their character.

We had a parents' conference on November 8<sup>th</sup> and it was a great chance to talk to the parents about the development of each child.

We had a Quiz Bee on November 24<sup>th</sup>, for all the private schools here in Sariaya Quezon. We had a school representative and it was a friendly competition. Four schools are Christian and the others are Catholic and Seventh Day Adventist. Bright Morning Star took 3<sup>rd</sup> place in Mathematics with Calix Dudas and Nathaniel Predilla placed fourth in spelling.

We had a Family Field trip on November 30<sup>th</sup>. It was a great joy that the most of the fathers joined in our field trip. It was good for them to bond with their families and also a great experience in seeing these beautiful places in Pagbilao Quezon, Birds Parks, Silangan sa Nasyon, Pueblo por la Playa.

## Community Fieldtrip in Sariaya

We visited the Police station, Post office, library, a park, a bakery, a dentist, a barbershop and a radio station. Our pupils had a wonderful learning experience.
